ORDINANCE No.

*Authorize the Director of the Portland Bureau of Emergency Management to execute Intergovernmental Agreements and amendments for administration of FY 2012 Urban Areas Security Initiative grant funds. (Ordinance)

The City of Portland ordains:

Section 1. The Council Finds:

1. The Department of Homeland Security is providing financial assistance to selected urban areas through the FY 2012 Urban Areas Security Initiative (UASI). The City of Portland, in cooperation with regional partners (TriMet, Port of Portland, Multnomah, Clackamas, Washington and Columbia Counties of Oregon and Clark County, Washington) was granted financial assistance to address the unique equipment, training, planning, exercise and operational needs of the region. The Portland Urban Area has completed a regional strategy to guide the use of federal homeland security grant funds. The City of Portland Bureau of Emergency Management (PBEM) will administer the Grant for the region.
2. In support of Grant administration, PBEM enters into routine intergovernmental agreements (IGA) with regional partners to provide them with access to Grant funds.
3. The execution of routine IGAs in support of Grant administration would be most efficiently performed if delegated to the Director of PBEM.

NOW THEREFORE, the Council Directs:

The Director of PBEM may execute IGAs and amendments with Clackamas County, Clark County, Columbia County, Multnomah County, Washington County, the Port of Portland and TriMet related to UASI Grant No 12-170.

Section 2. The Council declares that an emergency exists because the City's ability to perform the activities authorized by the grant within the required timeframe could be jeopardized by a delay. Therefore this ordinance shall be in full force and effect from and after its passage by the Council.
