DEED OF CONSERVATION EASEMENT

THIS DEED OF CONSERVATION EASEMENT (the "Easement") is entered into between Linda Williams ("Grantor"), 13321 SE Knapp Ct, Portland Oregon, and the City of Portland ("City") 1120 SW 5th Ave. Ste. 1302, Portland, OR, collectively referred to as "the Parties" herein, with an effective date of 201 .

RECITALS

- I. Grantor is the owner of certain real property in Multnomah County as described in Exhibit A (the "Property") and wishes to grant a conservation easement over a portion of the Property, with the easement area more particularly described on Exhibit B (the "Easement Area").
- II. The Easement Area possesses resource values of importance to City. Specifically, the Property contains in offers the following conservation and resource values (collectively the "Conservation Values"):
 - a. The Easement Area contains a tributary of Deardorff Creek, which drains to the Johnson Creek mainstem. These streams and their watersheds are identified and described in the *Boring Lava Domes Supplement to the Johnson Creek Basin Protection Plan*, adopted by Portland City Council in November 1997. Both streams provide cool water that is crucial for fish survival, including federally threatened and endangered runs of steelhead, coho and chinook salmon that use Johnson Creek for resting, spawning and rearing;
 - b. The Easement Area contains riparian areas, which are the transitional ecosystem between terrestrial and aquatic ecosystems. They provide important habitat for

water-dependent species and function as travel corridors along the watercourse for various wildlife species;

- c. The Easement Area contains a mixed deciduous-evergreen forest, which naturally manages stormwater and protects water quality;
- d. The Easement Area currently has Environmental Protection (P) zone overlay, according to the City of Portland's Title 33, Planning and Zoning Code, Chapter 33.430, which provides the highest level of protection to the City's most important natural resources and functional values;

III. Grantor, as owner of the Easement Area, has the right and the desire to identify, protect, and preserve in perpetuity the Conservation Values of the Easement Area.

IV. In accepting this Easement, City agrees to honor the intentions of Grantor to preserve and protect the Conservation Values of the Easement Area in perpetuity according to the Easement's terms.
