**FINANCIAL IMPACT**

**4) Revenue:** Will this legislation generate or reduce current or future revenue coming to the City? If so, by how much? If so, please identify the source.

No new revenue will be generated. Parks already has the authority to permit the Waterfront Park and South Waterfront Park properties out for events.

**5) Expense:** What are the costs to the City as a result of this legislation? What is the source of funding for the expense? (Please include costs in the current fiscal year as well as costs in future years. If the action is related to a grant or contract please include the local contribution or match required. If there is a project estimate, please identify the **level of confidence**.)

No new O&M costs will be incurred by accepting the Waterfront Park and South Waterfront Park parcels to be transferred. It is estimated that O&M costs for the Macleay parcel will amount to \$260/year.

**6) Staffing Requirements:**

- **Will any positions be created, eliminated or re-classified in the current year as a result of this legislation?** *(If new positions are created please include whether they will be part-time, full-time, limited term, or permanent positions. If the position is limited term please indicate the end of the term.)*

No positions will be affected.

- **Will positions be created or eliminated in future years as a result of this legislation?**

No positions will be affected.

*(Complete the following section only if an amendment to the budget is proposed.)*

**PUBLIC INVOLVEMENT**

**8) Was public involvement included in the development of this Council item (e.g. ordinance, resolution, or report)? Please check the appropriate box below:**

☐ **YES:** Please proceed to Question #9.

☒ **NO:** Please, explain why below; and proceed to Question #10.

This is primarily an administrative action. It has long been the intent that once PDC's redevelopment projects were completed that the Properties would be transferred to parks. The parcels are currently being managed by Parks so there will be no impact on the public.

**9) If "YES," please answer the following questions:**

**a) What impacts are anticipated in the community from this proposed Council item?**

**b) Which community and business groups, under-represented groups, organizations, external government entities, and other interested parties were involved in this effort, and when and how were they involved?**

**c) How did public involvement shape the outcome of this Council item?**

**d) Who designed and implemented the public involvement related to this Council item?**

**e) Primary contact for more information on this public involvement process (name, title, phone, email):**

**10) Is any future public involvement anticipated or necessary for this Council item? Please describe why or why not.**

No public involvement is anticipated at this time because no changes to the properties or their use are proposed.
