

ORDINANCE No. 186104

*Increase contract with Harper Houf Peterson Righellis by \$80,000 and extend termination date to June 30, 2014 to complete the SW Multnomah Blvd Bike/Pedestrian Improvement Project (Ordinance; amend Contract No. 30001392)

The City of Portland ordains:

Section 1. The Council finds:

1. Portland Bureau of Transportation (PBOT) entered into a 3-year flexible services contract with contractor HHPR to provide On Call Street Design Services.
2. The original contract with a not-to-exceed amount of \$500,000 is set to expire on June 1, 2013. The contract was originally amended for an additional \$125,000 in July, 2012.
3. 4 separate Task Orders against the contract have been issued to date including the Task Order for the SW Multnomah Bike-Ped Project.
4. The Task Order for the SW Multnomah Bike-Ped project is in need of additional Construction support services and since HHPR is the engineer of record it is imperative that they conduct said services.
5. A contractual spending increase is needed for the current contract with a Not to Exceed amount of \$80,000 for a new Not to Exceed total contract value of \$705,000 and a revised contract termination date of June 30th, 2014, to allow time to provide support services required.

NOW, THEREFORE, the Council directs:

- a. That the Chief Procurement Officer is authorized to execute an amendment, which has been approved by the City Attorney as to form, in a form similar to the amendment attached as Exhibit A.

Section 2. The Council declares an emergency exists because project will be starting construction under the existing contract and will need to continue without delay; therefore, this Ordinance shall be in full force and effect from and after its passage by Council.
