- You will have three minutes to address the Council and may also submit written material (please provide seven copies).
- We start the meeting at 9:30 and Communications are the first item on the agenda.
- Please note communications allow the Council to hear issues that interest our citizens, but do not allow an opportunity for dialogue.

Dear Ms. Parsons,

I spoke with you recently regarding a reservation for a presentation slot to speak to the City Council. It is in regards to the toxic plant overgrow situation and my safe care of my future property, my canine. Thank you. If this is not sufficient information, please let me know further. Thank you, sincerely, Gary Fleming
