FINANCIAL IMPACT

4) Revenue: Will this legislation generate or reduce current or future revenue coming to the City? If so, by how much? If so, please identify the source.

(Please include costs in the current fiscal year as well as costs in future year, including Operations & Maintenance (O&M) costs, if known, and estimates, if not known. If the action is related to a grant or contract please include the local contribution or match required. If there is a project estimate, please identify the level of confidence.)

a) What impacts are anticipated in the community from this proposed Council item?

This funding supports a variety of new and ongoing programs intended to grow local businesses, improve neighborhood business vitality, and support individuals in gaining job skills.

Public involvement in the City-funded portion of PDC's operations has been an iterative process over several years involving a number of groups, PDC, and the Mayor's office.

c) How did public involvement shape the outcome of this Council item?

See b) above.

d) Who designed and implemented the public involvement related to this Council item?
