The maximum that the Contractor can be paid on this contract is \$ 140,000 (USD) (hereafter the "not to exceed" amount.). The "not to exceed" amount includes all payments to be made pursuant to this contract, including overhead, taxes, insurance and benefits add-on percentage rates. - No more than one increase shall be granted per contract year;
- Rate increases may not exceed the then-current average inflation rate for the Portland Metropolitan Area (as determined from the US Department of Labor statistics);
- Rate increases shall not be retroactive.

Other than the impact of inflation as described above, hourly rates may not be increased.

The Contractor shall also attach photocopies of claimed reimbursable expenses, if applicable.
