To whom it may concern,

No objection to vacation of streets but if City of Portland gives away public property , then the people should receive something in return. The people of Sellwood have wanted greenway trail put in across Rowing club property so we can walk near river for many years. Portland must preserve our green spaces and walking areas. To maintain our right of access to the river for enjoy able walking.

Yours faithfully

D.M.Hamilton {Mrs.}

PS I have lived in Sellwood for 40 yrs and walked this area before the greenway trail.
