Dear Mrs. Newsom:

Because of the national emergency, a state-wide inventory of women's skills is being taken. Every woman will be asked to complete an inventory form.

As you are a committeewoman for your precinct, will you please telephone BEacon 5023 for an appointment to discuss this registration.

Kindly give this your immediate attention.

Yours very truly,

(Mrs.) Saidie Orr Dunbar, Director
Board for Mobilization of Women
