

**ORDINANCE No. 186239**

Authorize Bureau of Transportation Director to enter into donation agreements for bicycle parking facilities (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Portland Bureau of Transportation (PBOT) installs public bike racks in the public right of way in front of interested businesses to promote local business and to encourage efficient, healthy, and environmentally friendly travel choices.
2. The land use patterns and space constraints in the public right of way in some parts of Portland offer fewer places for PBOT to install bike parking.
3. PBOT does not have authority to install bicycle racks on private property and donate the racks to property owners.
4. PBOT is interested in trying to assist local businesses in a manner that supports local economic development and provides safe and convenient bike parking for customers.
5. The East Portland in Motion plan specifically recommends a "East Portland Bike and Shop Pilot Project" to provide bicycle parking at suburban style retail and employment centers in East Portland.

NOW, THEREFORE, the Council directs:

- a. The Director of the Portland Bureau of Transportation is authorized to execute agreements with business or property owners to donate and install bicycle parking.
