YES: Please proceed to Question #9.

NO: Please, explain why below; and proceed to Question #10.

9) If "YES," please answer the following questions:

a) What impacts are anticipated in the community from this proposed Council item?

b) Which community and business groups, under-represented groups, organizations, external government entities, and other interested parties were involved in this effort, and when and how were they involved?

c) How did public involvement shape the outcome of this Council item?

d) Who designed and implemented the public involvement related to this Council item?

e) Primary contact for more information on this public involvement process (name, title, phone, email):

10) Is any future public involvement anticipated or necessary for this Council item? Please describe why or why not.

Yes.

The Safeway Pump Station Remodel Project is currently in the early design phase during which the engineers typically complete tasks such as historical research and feasibility studies. Public Involvement staff will begin the outreach process for this project when copies of draft engineering plans are ready for presentation to the public. At that point, outreach staff will invite the community to comment about issues related to the remodel of this pump station.

Outreach to the community will continue throughout the design and construction phases. Outreach methods may include mailed flyers, public meetings, and emailed updates.
