On February 2, 2011, City Council approved Resolution #36844 to create an independent citizen committee for specific City of Portland technology projects. The Technology Oversight Committee (TOC) has been meeting monthly since September 2011. The TOC is responsible for preparing quarterly reports. The Chief Administrative Officer has submitted this quarterly report covering TOC activity from May – July 2013 for City Council to accept.

During the time of the report, the TOC was providing oversight on seven projects: the Bureau of Development Services' Information Technology Advancement Project (ITAP); the Water and Revenue Bureaus' Monthly Billing Statement project; the Portland Housing Bureau's Affordable Housing Software project; the Bureau of Technology Services' Enterprise Network Technology Refresh; the Bureau of Technology Services' Office 365 project, the Bureau of Internal Business Services' Risk Information Solution Connection (RISC); and the Bureau of Internal Business Services' Procurement Solicitation System.
