

City of Portland Commissioners
Holgate Blvd. was built and funded
by taxpayers gasoline taxes as a 4 lane
road heavily traveled, not only by autos
but buses. 2 of those 4 lanes have been
sacrificed to bicycles that pay no taxes
and are not licensed. Not only has it
disrupted the traffic flow, it has also
impaired business along the route. Some
have complained during Sam Adams
term, but to no avail. I feel this is
unjust and that bikes should have no
preference over the automobiles. I have
spoken with Steve Novicks staff and
they disagree, saying no change will
take place.

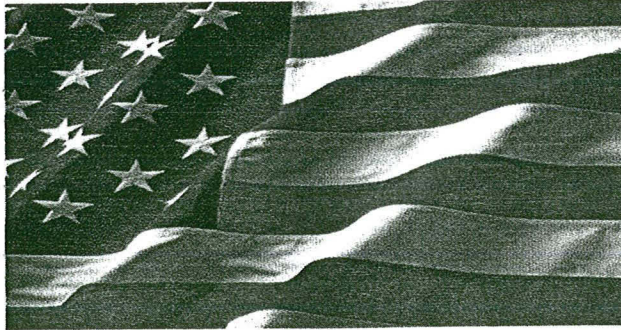

Letts Park needs a portable bath
room on the N.W. corner of the park
for visitors and ball players who have
rented the area. I requested this
many times but it goes to deaf ears.
This should be included in the tax
we pay for park maintenance!
