What is the TSP?

The 20-year plan for
transportation improvements

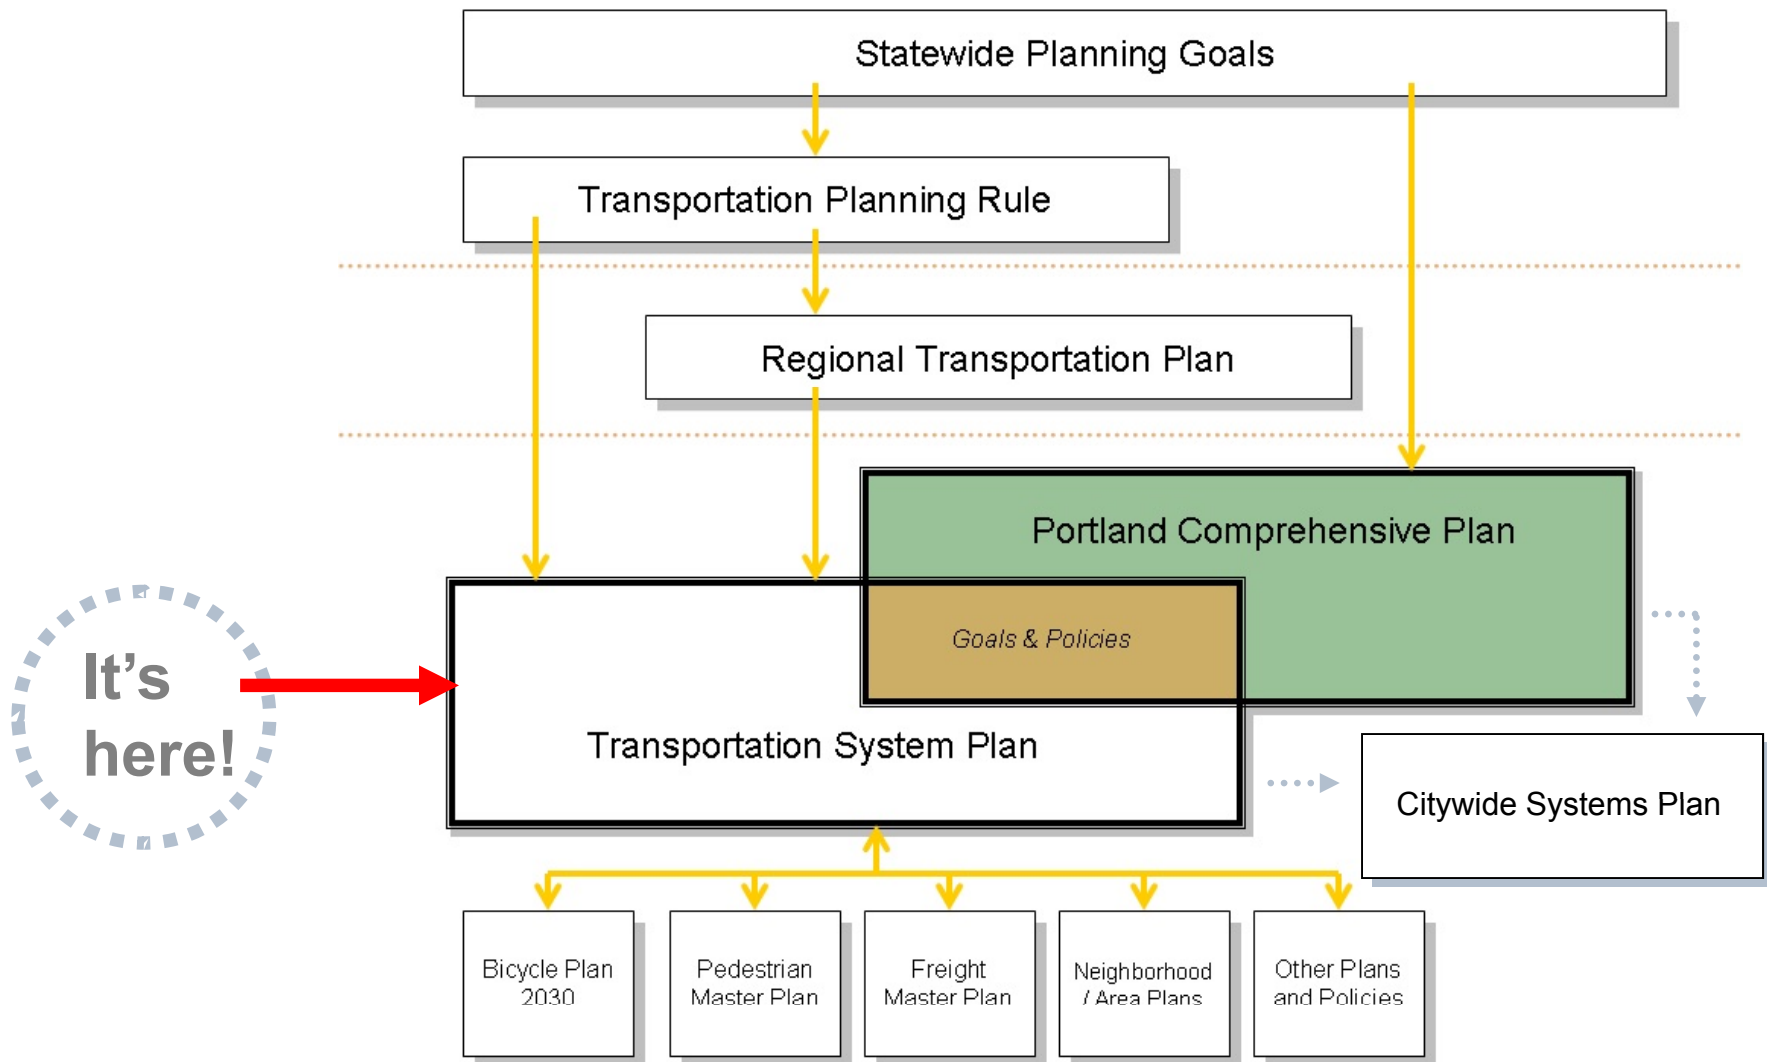

Historically, the public facilities
plan for transportation

Portland's plan to establish
transportation goals, policies, and
project lists.

Where does the TSP fit?

OAR Definition of TSP

(Statewide Planning Goals)

“...a plan for one or more transportation facilities that are planned, developed, operated and maintained in a coordinated manner to supply continuity of movement between modes, and within and between geographic and jurisdictional areas.”

OAR re: Funding

“(5) “Funding requirements” means the requirements set out in the Transportation Planning Rule that require a funding plan for transportation facilities or improvements needed to avoid a significant effect on existing or planned transportation facilities.”
