

## ORDINANCE No. 186459

\* Authorize an Intergovernmental Agreement with Multnomah County to establish a framework for the City and the County to jointly support services at the Gateway Center for Domestic Violence Services. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The City and the County are established partners in supporting the Gateway Center and its provision of holistic, accessible and coordinated services to victims of domestic violence and their children.
2. The City invested one-time only funding in order to launch the Gateway Center and provides the ongoing operational budget for the Gateway Center. The County provides free use of the building on the Gateway Children's Campus (f.k.a. the Children's Receiving Center) for the Gateway Center's operation.
3. The City is the final fiscal agent of the Center, and employees of the Gateway Center are deemed employees of the City for purposes of determining fringe benefits and supervisory structure.
4. The Gateway Center co-locates service providers from both public and private agencies together which provide a wide variety of services that can support survivors in achieving long-term safety and stability in their lives. The viability and vitality of the Gateway Center service model requires a wide variety of services be available such that personalized action plans can be crafted to meet the needs of each survivor.
5. The City of Portland provided three years of funding to the Multnomah County District Attorney (\$77,500 annually from 2010 to 2013) and two years of funding to the Multnomah County Department of County Human Services (\$33,500 annually from 2011 to 2013). The County will now assume those costs.
6. The City intends to use the additional County support to maintain current service levels. The City intends to use the County funds to pay for one part-time navigator/advocate position (\$27,000) and the annual cost to maintain the Gateway Center parking lot (\$3,800)

NOW, THEREFORE, the Council directs:

- a. The Commissioner of Public Affairs is hereby authorized to enter into an agreement with Multnomah County to support the continuation of services for survivors of domestic violence at the Gateway Center for Domestic Violence Services in a form substantially in conformance with Exhibit A.

- b. The Commissioner is hereby authorized to accept annually \$30,800 agreed upon in an agreement substantially in conformance with Exhibit A.
- c. The Commissioner is hereby authorized to amend the agreement at the end of the term upon written agreement of both parties.

Section 2. The Council declares an emergency exists because delay in proceeding with this agreement will unnecessarily interrupt the provision of vital mental health services at the Gateway Center for Domestic Violence Services; therefore, this ordinance shall be in full force and effect from and after its passage by the Council.
