Subject: Backyard Habitat Certification Program Testimony?

Hello Karla –

I got your contact through Josh Alpert and Rachel Wiggins. We're interested in giving City Council a short presentation on our Portland Audubon/Columbia Land Trust **Backyard Habitat Certification Program** during a Wednesday morning public testimony slot (<http://audubonportland.org/issues/backyardhabitat>). It is a great example of how NGOs are contributing to building green infrastructure in the city. We don't get any funding from the city, but it's a great example of how the city's investments are leveraged. We're hoping for a date in Feb, ideally the 12th or the 19th. Any direction you can provide about availability and next steps would be great.

Thanks -
