FINANCIAL IMPACT

4) Revenue: Will this legislation generate or reduce current or future revenue coming to the City? If so, by how much? If so, please identify the source.

An additional \$8,000 of funds will be appropriated in the FY2013-14 budget.

5) Expense: What are the costs to the City as a result of this legislation? What is the source of funding for the expense? (Please include costs in the current fiscal year as well as costs in future year, including Operations & Maintenance (O&M) costs, if known, and estimates, if not known. If the action is related to a grant or contract please include the local contribution or

match required. If there is a project estimate, please identify the level of confidence.)

The City is not required to commit any additional funds not already in the FY 2013-2014 Adopted Budget for the City's Green Building program. No City match is required for these funds.

6) Staffing Requirements:

Will any positions be created, eliminated or re-classified in the current year as a result of this legislation?

None.

- **Will positions be created or eliminated in future years as a result of this legislation?**

None.

(Complete the following section only if an amendment to the budget is proposed.)

7) Change in Appropriations *(If the accompanying ordinance amends the budget please reflect the dollar amount to be appropriated by this legislation. Include the appropriate cost elements that are to be loaded by accounting. Indicate "new" in Fund Center column if new center needs to be created. Use additional space if needed.)*

PUBLIC INVOLVEMENT

8) Was public involvement included in the development of this Council item (e.g. ordinance, resolution, or report)? Please check the appropriate box below:

- YES: Please proceed to Question #9.
 NO: Please, explain why below; and proceed to Question #10.

This is routine authorization for grant acceptance for funds that have been received from Metro.

9) If "YES," please answer the following questions:

- a) What impacts are anticipated in the community from this proposed Council item?
- b) Which community and business groups, under-represented groups, organizations, external government entities, and other interested parties were involved in this effort, and when and how were they involved?
- c) How did public involvement shape the outcome of this Council item?
- d) Who designed and implemented the public involvement related to this Council item?
- e) Primary contact for more information on this public involvement process (name, title, phone, email):

10) Is any future public involvement anticipated or necessary for this Council item? Please describe why or why not.

The public is involved in the development of Metro's budget, as well as the plans that guide the work that is funded through this grant: the 2009 Climate Action and the 2008 Portland Recycles! plans. The Green Spot event and Deconstruction Demonstration workshops are attended by hundreds of people each year.

Council Transmittal Memo

DATE: February 3, 2014
TO: Mayor Charlie Hales and Members of City Council
FROM: Susan Anderson, Director

1. **Ordinance / Resolution Title:** *Accept and appropriate an Intergovernmental Grant Agreement with Metro to accept funding of \$8,000 for the Green Spot Pilot and the Deconstruction Demonstration Project in Fiscal Year 2013-2014 (Ordinance)
2. **Contact:** Alisa Kane, Sr. Conservation Program Coordinator, 503-823-7082

3. **Council Date:** February 26, 2014
4. **Consent Agenda Item** **Regular Agenda Item**
 Emergency Item (explain below) **Non-Emergency Item**

This item is Emergency to allow immediate acceptance of funding to continue program objectives.

5. **Purpose of Agenda Item:** To authorize an IGA that accepts funds from Metro to support educational programs provided by Bureau of Planning and Sustainability as part of its Green Building Program.
6. **History of Agenda Item/Background:** The City of Portland Bureau of Planning and Sustainability's Green Building Program has developed two popular educational events for the region's residential and commercial contractors. Both the Green Spot pilot and a Deconstruction Demonstration Workshop educate construction industry professionals on green building and remodeling practices, including the salvage and recycling of building materials. Because these events are consistent with Sustainability Center's objectives in the area of construction and demolition debris recycling programs and the C&D waste reduction initiative, Metro has agreed to co-sponsor these events.

7. **What individuals or groups are or would be supportive or opposed to this action?**
Participants in event and workshop include building contractors, project managers, remodelers and residents doing home improvements.
8. **How does this relate to current City policies?** The activities funded by the agreement are consistent with Portland's Green Building Policy, as adopted by Resolution 35956 in 2001, updated in 2005 by Resolution 36310, and in 2009 by Resolution 36700; and with the City and County's Climate Action Plan, as adopted by Resolution 36748 in 2009.
