

ORDINANCE No. 186470

*Authorize a contract with the lowest responsible bidder for the SE 122nd Ave-SE Market St. to SE Stark St Road Rehabilitation project. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Portland Bureau of Transportation holds the responsibility for managing the condition of the City's roadways and pavements.
2. Over time and with traffic use, the condition of all roadway pavements deteriorate and require roadway rehabilitation to repair, refresh and extend the pavement life.
3. PBOT utilizes a Pavement Management System that incorporates the pavement condition, inter-bureau project coordination, along with freight, transit and multi-modal priorities to develop a systematic approach to project selection for Roadway Rehabilitation.
4. This years FY 13/14 Road Rehabilitation budget will support the management, design and construction of 4 separate projects.
5. Two projects, N Vancouver Ave (N Russell to N Monroe) and SE Stark (SE 92nd to I-205), which are not part of this ordinance but are a part of PBOT's FY 13/14 Road Rehabilitation Program, will be bid and constructed under the City's Prime Contractor Development Program (PCDP).
6. The two additional projects, SE 122nd Ave (SE Market to SE Stark) authorized by this ordinance, and SE 130th Ave (SE Division to SE Stark) authorized by a separate ordinance are too large for the City's PCDP and will be contracted via a Formal bid process.
7. The Bureau's level of confidence in the cost estimate for SE 122nd Avenue is moderate. The project plans, specifications and cost estimate is complete and ready for bid.

NOW, THEREFORE, the Council directs:

- a. Upon the Council's acceptance of the Chief Procurement Officer's report recommending the lowest responsible bidder, the Chief Procurement Officer is authorized to negotiate and execute a contract for SE 122nd Avenue (SE Market to SE Stark) provided the contract has been approved as to form by the City Attorney's office.
- b. The Auditor to draw and deliver warrants chargeable to T00402 when demand is presented and approved by the proper authority.

Section 2. The Council declares that an emergency exists because delays in authorizing this work has the potential to cause higher bid costs and reduced competition which could result in cancellation of proposed projects due to lack of funds; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
