

ORDINANCE No. **186479**

Authorize revenue generating Intergovernmental Agreement with Metro in the amount of \$20,000 for the development of a weed treatment calendar (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The City of Portland and Metro share goals of improving watershed health in the Portland-Metro area and surrounding watersheds, and would benefit from partnerships to accomplish our goals.
2. On March 8, 2006, the Council adopted the 2005 Portland Watershed Management Plan, which describes actions for watershed health including reducing populations of non-native plants and organisms to levels that do not compete with native species.
3. ORS 190.003-190.110 encourages intergovernmental cooperation. Metro has requested the assistance of BES to develop a best management practices weed treatment calendar per terms established in the attached Intergovernmental Agreement and will reimburse all direct and indirect costs incurred by BES.
3. The established revenue is not to exceed \$20,000. Payments will be deposited into the Sewer System Operating Fund and credited to the Invasive Species Program.

NOW, THEREFORE, the Council directs:

- a. The Director of the Bureau of Environmental Services is authorized to execute an Intergovernmental Agreement with Metro for the purpose described in Section 1, in the amount of \$20,000.
- b. The Director of the Bureau of Environmental Services is authorized to execute amendments to this agreement.
