Subject: Speaking at the Council
Hi Susan!

It was nice speaking with you on the phone just now! We would love to introduce our business, Fat Fancy, at the city council meeting. We are a very unique business, a plus size clothing store focused on self-love and size acceptance. My business partner, Carlee and are both low-income, queer, Latina women.

We have just been nominated for this Small Business Grant Contest and need people's help voting for us so that we can win. Voting ends Feb 23rd. Here is a link to where people can vote for us. You can vote once a day!

If you happen to have any cancellations for the 12th or the 19th of this month, feel free to call my cell at any time of day or night and we will hustle to be there as the support we could garner from announcing the competition at the meeting would be amazing and a giant help to our struggling business! 503-758-8590

I understand you are booked until April, and failing cancellations for the 12th or the 19h, may we please be put into an available slot to address the council about our business?

Thanks so much for your time!

Best wishes,

Annie Maribona
