

## ORDINANCE No. 186527 As Amended

Approve the designation of three trees as City of Portland Heritage Trees and remove the Heritage Tree designation from fifteen trees. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. Section 20.40.150 of the City Code provides for the listing, designation and maintenance of Heritage Trees within the City which, because of their age, size, type, historical association or horticultural value, are of special importance to the City.
2. The Heritage Tree Committee has inspected and evaluated three significant Portland area trees nominated for inclusion in the Heritage Tree program. The Committee has presented its findings to Portland's Urban Forestry Commission, which unanimously recommends that Council designate these trees as City of Portland Heritage Trees.
3. Section 20.40.150 of the City Code further instructs that "Upon unanimous recommendation of the Urban Forestry Commission, the Council may remove the designation of any tree as a Heritage tree if it finds that such designation no longer is appropriate." The City Forester and staff determined the trees listed below required removal and this action will reconcile the 2013 Heritage Tree list with current designations.
