

EXHIBIT A

Women Into Housing Now (WIHN)

This one-time \$300k City General Fund (GF) investment focuses on housing placement for women experiencing homelessness, including those in couples or families. Flexible rent assistance will support women to find permanent housing, resulting in reduced shelter waitlists and more women who are diverted from entering shelter. Contract Period: October 1, 2013 to June 30, 2014.

Agency	Funding amount	Population served	Services	Outcome goals
Human Solutions	\$70,000	Female-headed families	Housing placement, retention services, linkage to community and support services.	<ul style="list-style-type: none"> • 7 families (female-headed) housed • 80% housed after 6 months • 70% housed after 12 months
JOIN	\$100,000	Women	Street outreach, housing placement and supportive services, including connection to culturally specific services and/or other services.	<ul style="list-style-type: none"> • 25 women housed, including 5 highly vulnerable, chronically homeless women from central city • 80% housed after 6 months • 70% housed after 12 months
Northwest Pilot Project	\$30,000	Women (ages 55 and over)	Immediate safety off of the streets, housing placement, retention services, linkages to community and support services.	<ul style="list-style-type: none"> • 30 women gain immediate safety off the streets • 90% move to transitional or permanent housing • 80% housed after 6 months • 70% housed after 12 months
Transition Projects	\$100,000	Women	Housing placement, retention services, shelter diversion, linkages to community and support services.	<ul style="list-style-type: none"> • 30 women housed, including 8 diverted from shelter • 80% housed after 6 months • 70% housed after 12 months
TOTAL	\$300,000			<ul style="list-style-type: none"> • 92 women households permanently housed • 80% housed after 6 months • 70% housed after 12 months

HOME START

This one-time \$1.7M General Fund investment provides rent assistance, as well as housing placement and support services for families and vulnerable adults experiencing homelessness, particularly those in “hotspot” areas. Providers will ensure equitable access for families and individuals of color experiencing homelessness and strengthen partnerships with culturally-specific providers, law enforcement, as well as health and behavioral health care providers, to ensure households are connected to available services. Contract Period: January 1, 2014 to December 31, 2014.

Agency	Amount requested	Population served	Services	Outcome goals
