PUBLIC INVOLVEMENT

8) Was public involvement included in the development of this Council item (e.g. ordinance, resolution, or report)? Please check the appropriate box below:

- YES:** Please proceed to Question #9.
 NO: Please, explain why below; and proceed to Question #10.

9) If “YES,” please answer the following questions:

a) What impacts are anticipated in the community from this proposed Council item?

This project involves the improvement of the underground water system to increase the reliability of the water system in the area. All work to be done is of a technical nature under the surface of the ground and should not impact the public (other than some traffic and construction related impacts).

b) Which community and business groups, under-represented groups, organizations, external government entities, and other interested parties were involved in this effort, and when and how were they involved?

The construction contracting community, including contractors certified with the State of Oregon as minority, women, and emerging small businesses. They became involved when the project advertised for bids on February 21, 2014.

c) How did public involvement shape the outcome of this Council item?

Bids received resulted in the award of the construction contract.

d) Who designed and implemented the public involvement related to this Council item?

Procurement Services advertised the project for bids and held the prebid meeting that was open to the construction contracting community, including contractors certified with the State as minority, women, and emerging small businesses.

e) Primary contact for more information on this public involvement process (name, title, phone, email):

Valentine Hellman, Sr Procurement Specialist, 503.823.6130,
valentine.hellman@portlandoregon.gov

10) Is any future public involvement anticipated or necessary for this Council item? Please describe why or why not.

No further public involvement is necessary to execute the construction contract.
