

ORDINANCE No. 186548

Authorize an Intergovernmental Agreement with Multnomah County for the Revenue Bureau to administer the Multnomah County Business Income Tax (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. Both the City of Portland and Multnomah County have a business income tax, assessed on businesses within their respective boundaries. These programs use similar definitions and calculation methodology.
2. Administration of the two programs by one jurisdiction saves businesses preparation time and money, taxpayer dollars for administration costs and retains control of the programs at the local level.
3. The Revenue Bureau has been administering the County's business income tax program since 1993 when the City and County aligned their respective codes and determined that joint administration was cost effective for both jurisdictions and efficient for businesses required to comply with both programs.
4. The previous intergovernmental agreement expires on June 30, 2014. The joint administration of the City and County programs has proven beneficial to all parties and both the City and County wish to continue this administrative agreement for five years.

NOW, THEREFORE, the Council directs:

- a. The Mayor is authorized and directed to execute on behalf of the City an intergovernmental agreement with Multnomah County substantially similar to the one attached to this ordinance as Exhibit A.
