PUBLIC INVOLVEMENT

8) Was public involvement included in the development of this Council item (e.g. ordinance, resolution, or report)? Please check the appropriate box below:

- ☒ **YES:** Please proceed to Question #9.
☐ **NO:** Please, explain why below; and proceed to Question #10.

9) If "YES," please answer the following questions:

a) What impacts are anticipated in the community from this proposed Council item?

Authorization of the intergovernmental agreement will continue an existing, effective mechanism to fund the Short-Term Rent Assistance (STRA) Program which houses people experiencing homelessness and prevents others from becoming homeless.

b) Which community and business groups, under-represented groups, organizations, external government entities, and other interested parties were involved in this effort, and when and how were they involved?

As part of the 2011-2016 Consolidated Plan and 2013-2014 Action Plan, the City allocated \$10 million in federal housing and community development funds to its community partners to implement strategies to preserve and develop affordable housing; provide housing access and stabilization services to people experiencing homelessness and others facing barriers to housing; provide homeownership education and counseling programs to low- and moderate-income households, including foreclosure prevention; address housing health and safety concerns; and expand access to economic opportunity for low-income people.

As required by federal regulations, a Citizen Participation Plan (CPP) describing the overall framework for public involvement was developed and adopted with the (2011-2016 Consolidated Plan.) A series of hearing and public meetings were held regarding the development of the Plan, in all areas of the city to ensure access to a broad range of community members. Translation services were provided when requested. All hearings locations were accessible to persons with disabilities. All documents were posted on the Portland Housing Bureau website.

In addition to the CPP process, the Portland Housing Advisory Commission, the bureau's advisory body, and the Federal Funding Oversight Committee, a representative body of the three jurisdictions (Portland, Gresham, and Multnomah County), reviewed the Plan and its recommendations. Also, PHB conducted a series of public meetings and focus groups focused on the topic of prevention, housing and support services for people experiencing homelessness in the development of its Strategic Plan.

c) How did public involvement shape the outcome of this Council item?

In the Consolidated Plan process, public involvement affected the City's understanding of community needs around housing and homelessness. These needs, in turn, influenced the set of goals in PHB's 2011-13 Strategic Plan and budget decisions. Investment in preventing and ending homelessness efforts is reflected in two of the Strategic Plan's four investment priorities. PHB's Strategic Plan, an outcomes-driven framework guiding Portland's housing investments, synthesizes available data on trends, needs and program outcomes, as well as community input gathered from focus groups, surveys and the strategic plan community forum.

d) Who designed and implemented the public involvement related to this Council item?
