Request to Appear Before City Council----
Subject :::Human Trafficking//Child Sex Trafficking//Child Pornography---

I am requesting to speak before the City Council on the subject of Human Trafficking//Child Sex Trafficking//Child Pornography in Portland, Oregon...Portland is one of the worst places in North America and has one of the most corrupt lazy Police Forces & City Government in the Nation that are aligned with the business interests but not the interests of their citizens...Portland is not "The City That Works", it is the City that Sweeps It's Problems Under The RugHopefully you can schedule me in soon, Thanks -David Kif Davis
