Subject: Testifying before City Council re: LGBT Elder Housing

Greetings,

I am starting a new nonprofit and building affordable housing for LGBT elders. I am one year into the project and have started to announce it publicly. I'd love for the Council to be aware of it, especially in light of their overwhelming support for the Age-Friendly City effort.

I met with Jackie Dingfelder, who is the Elders In Action liaison, and she recommended that I share my project with the Council in the opening 3 minute remarks. I would love to schedule that sometime in early April, if there is availability.

Please let me know what you think. Phone # below if you would like to chat.

Thanks,
Melissa
