Hello Tony,

Thursday, May 15th will be a Public Hearing on the City and Portland Development Commission Budgets and public testimony will be taken. The meeting is from 6:30 to 8:30 at City Hall, Council Chambers.

If you are still interested in a three minute Communication in front of the Portland City Council at our regular meeting, the next available date is not until Wednesday, June 18th. Communications allow the Council to hear of issues that interest our citizens but do not always allow an opportunity for dialogue. Please let me know right away if you are interested in speaking on June 18th as I only have one spot open.

Council will approve the budget on May 21st and will adopt the budget on June 19th.

Regards,
Karla

Hi Tony,

Sorry for the delay- it's been a crazy few weeks. At this point it's not looking particularly good for funding, though I continue to advocate. As you know we didn't have a ton of new resources this year. One idea I've had

is for you and Bruce to come in to Council on a Wednesday during the public comment process. It's at the beginning of Council, and you get 3 minutes each to present the work you do. Council really appreciates hearing things like this and truly do pay attention.

Karla Moore Love is our Council Clerk and can get you signed up for it in advance- her email is Karla.Moore-Love@portlandoregon.gov

Thanks for all you do, Tony,
Josh

Hello Josh,

Happy Friday, I hope all is well.

What is the status of integrating technical support services to minority and disadvantaged construction businesses by MCIP into the budget for the upcoming year? Please let us know if we can provide more information or can help in any way.
