4) <u>Revenue</u>: Will this legislation generate or reduce current or future revenue coming to the City? If so, by how much? If so, please identify the source.

This ordinance will not generate additional revenue. However, it does affect the budgeted revenues for several funds (including the General Fund) and bureaus to reflect better estimates of available resources.

5) Expense: What are the costs to the City as a result of this legislation? What is the source of funding for the expense? (Please include costs in the current fiscal year as well as costs in future year, including Operations & Maintenance (O&M) costs, if known, and estimates, if not known. If the action is related to a grant or contract please include the local contribution or match required. If there is a project estimate, please identify the level of confidence.)
This ordinance adjusts net appropriation in 18 funds by a total of \$11.7 million, including a total of \$292,072 in increased appropriation in the General Fund.

## 6) Staffing Requirements:

• Will any positions be created, eliminated or re-classified in the current year as a result of this legislation? (If new positions are created please include whether they will be part-time, full-time, limited term, or permanent positions. If the position is limited term please indicate the end of the term.)

No.

• Will positions be created or eliminated in *future years* as a result of this legislation? No.

(Complete the following section only if an amendment to the budget is proposed.)

7) Change in Appropriations (If the accompanying ordinance amends the budget please reflect the dollar amount to be appropriated by this legislation. Include the appropriate cost elements that are to be loaded by accounting. Indicate "new" in Fund Center column if new center needs to be created. Use additional space if needed.)

YES: Please proceed to Question #9.
✓ NO: Please, explain why below; and proceed to Question #10.
M NO. Flease, explain why below, and proceed to Question #10.
9) If "YES," please answer the following questions:
a) What impacts are anticipated in the community from this proposed Council item?
b) Which community and business groups, under-represented groups, organizations, external government entities, and other interested parties were involved in this effort, and when and how were they involved?
c) How did public involvement shape the outcome of this Council item?
d) Who designed and implemented the public involvement related to this Council item?
e) Primary contact for more information on this public involvement process (name, title, phone, email):
10) Is any future public involvement anticipated or necessary for this Council item? Please describe why or why not.
The publicly noticed hearing of this ordinance serves as the sole element of public involvement.
The budget changes involved in the over-expenditure ordinance are primarily technical in nature.
This is a small part of the much larger budget process; the rest of the budget process is subject to extensive public outreach in the form of public meetings, public hearings, Council worksessions,
requests and analysis provided online, and the inclusion of public budget advisors.
