**1) Legislation Title:**

\*Authorize CityFleet to purchase replacement Police Patrol Vehicles at \$2,332,375. (Ordinance)

**2) Purpose of the Proposed Legislation:**

The purpose of this ordinance is to authorize CityFleet to procure replacement vehicles in accordance with City Code 5.33. There are 80 patrol vehicles scheduled for life-cycle replacements by CityFleet for the Police Bureau. The estimated cost to replace the 80 vehicles is \$2,332.375 (\$29,154.69 per unit).

**3) Which area(s) of the city are affected by this Council item? (Check all that apply—areas are based on formal neighborhood coalition boundaries)?**

**FINANCIAL IMPACT**

**4) Revenue:** Will this legislation generate or reduce current or future revenue coming to the City? If so, by how much? If so, please identify the source.

Revenues will not be impacted by this decision.

**5) Expense:** What are the costs to the City as a result of this legislation? What is the source of funding for the expense? (Please include costs in the current fiscal year as well as costs in future year, including Operations & Maintenance (O&M) costs, if known, and estimates, if not known. If the action is related to a grant or contract please include the local contribution or match required. If there is a project estimate, please identify the *level of confidence*.)

This action is estimated to cost the CityFleet replacement fund \$2,332,375 in FY 2013-14. The Police Bureau pays for future vehicle replacement in the interagency with CityFleet and the funds for this purchase do not affect the present year Police Bureau budget. CityFleet has budgeted in FY 2013-14 capital replacement budget for the procurement of these 80 vehicles. There is no estimated increase in ongoing operations or maintenance for these replacement vehicles for the Police Bureau.

The cost to delay this purchase could be significant. Retaining vehicles beyond the economic life-cycle leads to costly repairs and lowers salvage values. This would affect the Police Bureau expenses for regular repairs and maintenance and could be outside the FY 2013-14 Adopted Budget amounts.

**6) Staffing Requirements:**

- **Will any positions be created, eliminated or re-classified in the current year as a result of this legislation?** (If new positions are created please include whether they will be part-time, full-time, limited term, or permanent positions. If the position is limited term please indicate the end of the term.)

No position will be created, eliminated or re-classified as a result of this legislation.

- **Will positions be created or eliminated in future years as a result of this legislation?**

*(Complete the following section only if an amendment to the budget is proposed.)*

**7) Change in Appropriations** (If the accompanying ordinance amends the budget please reflect the dollar amount to be appropriated by this legislation. Include the appropriate cost elements that are to be loaded by accounting. Indicate "new" in Fund Center column if new center needs to be created. Use additional space if needed.)
