Upcoming Neighborhood and Neighborhood Association Meetings:

Verizon Cell Tower Meeting

TOMORROW (Thursday January 5), 7pm

Mt.Scott Community Center, poolside room

A group of neighbors are meeting to discuss and coordinate activities and approach for the upcoming City Council hearing on the cell tower Verizon is trying to place at Mt. Scott Fuel. Regardless if you are able to come to the City Council meeting, if you are still interested in this issue, please come join them to discuss and coordinate responses.

Ad Hoc 2012 Budget Committee Meeting

January 11th, 6:30pm

Mt.Scott Community Center, poolside room

Join board members and neighbors to discuss the Neighborhood Association's 2012 budget.

GET INVOLVED! Volunteer for YOUR neighborhood!

Do you have a skill or a fabulous idea that could benefit our neighborhood? PLEASE Let us know!

We are interested in all of your ideas, and we could use your help!

Email Terah Beth at mt.scott.arleta@gmail.com to help! Some volunteer positions that we could really use:

- * **Grant Writers** (experienced or non-experienced) *Have ideas?* Let's get money for neighborhood projects!
(The money is out there!)
- * **Graphic Designer / Artists** - help with print and web materials.
- * **Writers** for Newsletter and Blog (garden tips, neighborhood stories, topics that you'd like to share)

Thanks for coming!
