

## ORDINANCE No. 18 6725

\*Amend contract with Oregon Department of Transportation for the NE Columbia Blvd at OR 99E/MLK Jr Blvd project (Ordinance; amend Contract No. 30002350)

The City of Portland ordains:

Section 1. The Council finds:

1. The westbound right turn movement at the intersection of NE Columbia Boulevard and NE MLK Jr. Boulevard moves a significant amount of freight traffic. The traffic demand for this right turn in particular is the highest of the right turns at this intersection. Congestion and other geometry issues create barriers to freight mobility.
2. The NE Columbia Boulevard at OR 99E/MLK Jr. Blvd project will construct a dedicated westbound right turn lanes on NE Columbia Blvd. at the intersection of NE MLK Jr. Blvd. and NE Columbia Blvd. A 12-foot City standard sidewalk adjacent to the proposed right turn lane and a new traffic signal will also be constructed.
3. On September 7, 2011, Council approved Ordinance No. 184849 that authorized a grant funding that covered the total anticipated cost for engineering and right-of-way of the project, estimated at approximately \$1,500,286.00. Additional federal money was transferred from another project's savings to this project for the amount of \$1,660,714. Also the State will fund an additional \$200,000 so the sidewalk on the east side of MLK Jr can be built as part of this project.
4. The Bureau's level of confidence in the cost estimates for this project is low. The cost estimate for the design and construction will be developed during the design phase.

NOW, THEREFORE, the Council directs:

- a. The Commissioner-in-Charge is hereby authorized to amend a contract with the Oregon Department of Transportation for the right-of-way phase of the NE Columbia Boulevard at OR 99E/MLK Jr. Blvd project, approved as to form by the City Attorney, in a form similar to the contract attached as Exhibit A.

Section 2. The Council declares that an emergency exists because a delay would unnecessarily delay the City's ability to perform the activities authorized by the intergovernmental agreement; therefore, this ordinance shall be in full force and effect from and after its passage by the Council.

Passed by the Council, JUL 23 2014

Commissioner Steve Novick
