FINANCIAL IMPACT

4) Revenue: Will this legislation generate or reduce current or future revenue coming to the City? If so, by how much? If so, please identify the source.

Yes. The City Council approved Ordinance No. 184849 on September 7, 2011 that authorized a grant funding that covered the total anticipated cost for engineering and right-of-way of the project, estimated at approximately \$1,500,286.00. This Intergovernmental Agreement will add an extra \$1,660,714 in federal funds and an additional \$200,000 in regional Funds for a total of \$1,860,714.

5) Expense: What are the costs to the City related to this legislation? What is the source of funding for the expense? *(Please include costs in the current fiscal year as well as costs in future years. If the action is related to a grant or contract please include the local contribution or match required. If there is a project estimate, please identify the **level of confidence**.)*

The Bureau's level of confidence in the cost estimate for the projects is low. The project is still in the preliminary stages.

6) Staffing Requirements:

- **Will any positions be created, eliminated or re-classified in the current year as a result of this legislation?** *(If new positions are created please include whether they will be part-time, full-time, limited term, or permanent positions. If the position is limited term please indicate the end of the term.)*

No

- **Will positions be created or eliminated in future years as a result of this legislation?**

No

(Complete the following section only if an amendment to the budget is proposed.)

7) Change in Appropriations *(If the accompanying ordinance amends the budget please reflect the dollar amount to be appropriated by this legislation. Include the appropriate cost elements that are to be loaded by accounting. Indicate "new" in Fund Center column if new center needs to be created. Use additional space if needed.)*
