

**MOISTURE CONTENT ACKNOWLEDGEMENT FORM**  
Sec R318.2

I, Jolley Construction, LLC am the general contractor or the owner-builder at the following address:

Street Address 10224 N. Allegheny Ave

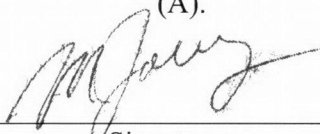

City Portland, OR 97217

Permit # 3378768

To conform with the 2008 Oregon Residential Specialty Code, Section R318.2, I am notifying the building official that I am aware of the moisture content requirement of ORSC Sec R318.2 and have taken steps to meet this code requirement. (Sec R318.2 is provided for reference)

Section R318.2 Moisture Content. Prior to issuance of the insulation/vapor barrier approval required by R109.1.5.2 of this code:

- (A) All moisture-sensitive wood framing members used in construction shall have a moisture content of not more than 19% of the weight of dry wood framing members.
- (B) The general contractor or the owner who was issued the structural permit shall notify the building official on a division approved form that the contractor or the owner who was issued the structural permit is aware of and has taken steps to meet the requirement in paragraph (A).
