Dear Mayor Hales and Portland City ~~Council members~~
~~Commissioners~~,

I'm here today to ask you Mayor Hales because you are also the Portland Police Commissioner, to make Portland Police officers including Police Chief Reese, Commander Day, Sgt. McCormick, ~~Officer~~ Sean Christian and other officers do their job, to stop the daily, 20-24 hours a day microwave and ultrasound harassment weapon and voice to skull ^{Lida machine sleep deprivation} weapon, assaults that some Tigard cops are doing to me. They also still tell me every day they are shooting my son with their when he's sleeping to give him cancer. They set up these weapons remotely in many businesses and residences including SAFES, Jean's Place shelters, TPI, Starbucks, public restrooms, Peet's coffee, Mult. County library, Multnomah County Courthouse, Whole Foods, St. Michael's and First Baptist Church, the Portland building, ~~etc.~~ city hall, etc.

The last time I testified here, May 21, afterwards Rachel gave me the number to Project Respond. I told her though, that Project Respond doesn't have the authority to arrest those Tigard cops. (My ex Tigard neighbor lady, who is friends with those cops and also participates in these assaults and attempted murder,

You have the authority Mayor Hales to make Portland Police officers investigate thoroughly and arrest and prosecute those officers and my ex Tigard neighbor lady. I have enough evidence for this. If you or someone else asks these cops if they are really making a good effort

to stop these assaults they will probably make some excuse or justification or deny they did anything wrong so they don't get in trouble with you or charged for being accessories to these crimes.

I've requested a meeting with you a few times but ^{your office has} never ~~has~~ given me that. To stop these assaults requires more than a three minute testifying by me. This should be a priority.

Other cities' cops have said they follow the requirements of evidence of assaults to prosecute people who shoot people with these kinds of devices. Many Portland Police have a consistent pattern of cover-up and intimidation and slander campaigns, including falsified police reports about ^{us} people who report being burnt, given pain with ~~and~~ skin destruction, other injuries and psychological harassment, manipulation, and incriminations, with these weapons.

Thank you,

Katherine Smith

**PORTLAND CITY COUNCIL
COMMUNICATION REQUEST
Wednesday Council Meeting 9:30 AM**

Council Meeting Date: 7-9-14 8-6-14

Today's Date 5-21-14

AUDITOR 05/21/14 PM12:49

Name Katherine Smith

Address mailing: 13500 SW Pacific Hwy Tigard, OR 97224

Telephone 503 946-5173 Email _____

Reason for the request: Ongoing Tigard police assaulting me with

microwave and ultrasound harassment weapons. Some Portland
officers including Police Chief Reese, Commander Day, Sgt. McCune
are covering up for it. These Tigard cops shoot me 20-24 hours a day
remotely mainly in Portland. Their intent is to murder me (and my son)
I testified today and Alice, the Mayor's assistant gave me a card and wrote on it I
should call Project Responder. But they do not have the level of authority to
make those Portland cops protect me or my son. I've already talked to them.
Alice said if IPR has a finding that this is happening (these assaults) then the Mayor
(signed) Katherine E. Smith
can do something about it.

- Give your request to the Council Clerk's office by Thursday at 5:00 pm to sign up for the following Wednesday Meeting. Holiday deadline schedule is Wednesday at 5:00 pm. (See contact information below.)
