Hello Susan!

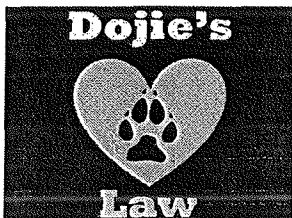

Dojie's Law for a Safer Oregon is a 2016 Oregon Ballot Initiative designed to decrease the number of injuries to pets and increase training standards for officers, as well as provide them with newer technology to promote safe interactions between officers and animals.

I would like to address the council, to introduce ourselves and meet with any Commissioners' staff, to develop a council resolution in support of the Initiative. We would also like to work with the parks department regarding gathering input on dog safety at Portland Parks.

Also, we would like to address the council again in the future, as we have more initiatives developing through Safer Oregon PAC.

August 6th's address will be solely on the subject of Dojie's Law for a Safer Oregon 2016.
