Re: Street Renaming -- N Winning Way to N Ramsay Way

On August 26, 2014 the Planning and Sustainability Commission will hold a hearing to rename N Winning Way to N Ramsey Way in Central City's Lloyd District. A map showing the street to be renamed is shown in the attached map.

As required by City Code 17.93.040, Commissioner Novick appointed three members to a Street Renaming Historian Committee to make a recommendation to the Planning and Sustainability Commission. Please see the Street Renaming Historian Committee's letter of recommendation attached.

Approval Criteria

The criteria for renaming a city street are listed in City Code 17.93.010. They are:

A. *Any individual or organization may apply to the City to rename a City street. City streets may only be renamed after a prominent person. Such prominent person must be:*

1. *a person who has achieved prominence as a result of his or her significant, positive contribution to the United States of America and/or the local community;*

Staff response: On July 22, 2014, a Street Renaming Historian Committee considered the historical and community significance of Dr. Jack Ramsay and determined that this criterion was met.

2. *a real person; and*

Staff response: This criterion is met.

3. *a person who has been deceased for at least five years.*

Staff response: City Council passed Resolution 37080 on Jun 18, 2014, which authorized an exception to this criterion. Please see the attached resolution.

B. *Only one street renaming application shall be processed at a time, and only one street name change shall be implemented per year for a major traffic or district collector street. Additional applications shall be placed on a waiting list and processed in order of submission when this criteria can be met.*

Staff response: This street is not a major traffic or a district collector street. This criterion is met.
