All Saints Episcopal Church occupies the entire block at 4033 SE Woodstock Blvd. The zoning definition in the plan has just the SE ¼ of the block between 40<sup>th</sup> and 41<sup>st</sup> /Woodstock Blvd./Knight Street in the Mixed-Use –Neighborhood zone. The ¼ block reflects the church site as it was in 1900. We request that the entire block be zoned similarly, so that the new buildings and land are all in the same zone. We had requested this in writing on May 8<sup>th</sup> to Marty Stockton, Southeast District Liaison, Portland Bureau of Planning and Sustainability. We were very surprised that this was not accomplished.
