Subject: Action alert: Keep the City from going backwards on West Hayden Island commitments

This link is sent to you from <http://audubonportland.org>

You are receiving this mail because someone read a page at Audubon Society of Portland and thought it might interest you.

[jeffgeisler@msn.com](mailto:jeffgeisler@msn.com) thought that the page Action alert: Keep the City from going backwards on West Hayden Island commitments (at <http://audubonportland.org/news/sept10-2014> ) might interest you.

He/she says:

"Stop all attempts to zone any of West Hayden Island as Industrial! Create real JOBS by CLEANING UP all existing BROWNFIELDS! Assist private property owners of BROWNFIELDS to clean-up their land with no-interest loan programs that stipulate reasonable time frames for development!"
