Re: Request PCS Hearings

The Multnomah Neighborhood Association requests that the Bureau of Planning and Sustainability provide the details for the new mixed-use zoning designations and the new campus institutional zoning and that Planning and Sustainability Commission extend the hearings of the Comprehensive Plan or that the record of the hearings left open for at least 90 days following the release of the provisions of these definitions to give the Neighborhood a chance to understand the impact of the definitions and time to respond.

Please add this to the record
