**Subject:** Draft West Quadrant Plan

I am writing to ask that you keep maximum building heights in the West End of Portland to 100 feet in order to preserve the historic and varied architecture of the West End. I have a lovely view of the Park Blocks and the West Hills from my living room window. High rise buildings would ruin, not only my view, but also the value of my home. They would destroy the character and the wonderful, unique feel of this beautiful city.

Please vote against the West Quadrant Plan.

Thank you.

Sincerely,
