**Re: Request PSC Hearings Extension**

**Is there anyone left who remembers how much wasted time and wasted money was spent on the Southwest Community Plan? It was a sterling example of the cart before the horse.**

I am requesting that the Bureau of Planning and Sustainability provide the definitions for the new mixed-use zoning and new campus institutional zoning designations and that the Planning and Sustainability Commission either extend the hearings for the Comprehensive Plan or keep the hearings record open for at least 90 days following the release of these definitions. Without the definitions and the deadline extension, the citizens and Neighborhood Associations will not be able to evaluate the impact of the new zoning designations.

I would also like to request that you hold one hearing on the Comprehensive Plan in southwest Portland.

Please add this to the record.

Thank you,

Nancy R Bailey
