Re: Request PSC Hearings Extension

I would like to request that the Bureau of Planning and Sustainability (BPS) provide the definitions for the new mixed-use zoning designations and the new campus institutional zoning designation and either extend the hearings for the Comprehensive Plan or keep the hearings record open for at least 90 days following the release of these definitions. Without the definitions and the deadline extension, the citizens and Neighborhood Associations will not be able to evaluate the impact of the new zoning designations.

Please add this to the record.

Thank you.
