Dear Ms. Parsons,

I would very much like to address the council about the Rangers contact with the homeless community. I have talked to many governmental agencies such as ODOT and police about dealing with the homeless communities and advocate fir the homeless mostly in the SE Portland area. I have been present for so many sweeps, too many. The homeless citizens are verified and often hated by the public and press for a few predatory homeless and I am fighting to get the truth out. I am also the person who is trying to establish a sanctioned, safe rest area in the SE. I have supporters in the highest levels of both the City of Portland and Clackamas County as I volunteer at Clackamas Service Center right over the county line. Both the City of Portland, the county commissioners and Clackamas County officials must work together as this is a joint problem and they must be part of the solution. I am attending a memorial service right now for another causality of homelessness. My heart is breaking.

Thank You,
Trena Sutton
