FINANCIAL IMPACT

Revenue and/or Expense:

Is ALL the Revenue and/or Expense a part of the current year's budget? or 5-yr CIP? YES
 SAP COST OBJECT No(s).: T00391

All Revenue and Expense financial questions must be completed regardless of the current year's budget. Documents may be returned where the FIPIS portion has not been sufficiently completed.

4) Revenue: Will this legislation generate or reduce current or future revenue coming to the City? If so, by how much? If so, please identify the source.

It will provide \$161,784 in grant funds.

5) Expense: What are the costs to the City related to this legislation? What is the source of funding for the expense? *(Please include costs in the current fiscal year as well as costs in future year, including Operations & Maintenance (O&M) costs, if known, and estimates, if not known. If the action is related to a grant or contract please include the local contribution or match required. If there is a project estimate, please identify the **level of confidence**.)*

The cost to the City is the match funds required when Federal Funding is received. In this case PBOT will provide \$16,616 (10.27%) as match for this additional \$161,784 in Federal funding.

6) Staffing Requirements:

- **Will any positions be created, eliminated or re-classified in the current year as a result of this legislation?** *(If new positions are created please include whether they will be part-time, full-time, limited term, or permanent positions. If the position is limited term please indicate the end of the term.)* **There will be no new staff positions added as PBOT bridge staff can absorb the work without new hires.**
- **Will positions be created or eliminated in future years as a result of this legislation?**
No position will be eliminated.

(Complete the following section only if an amendment to the budget is proposed.)

7) Change in Appropriations *(If the accompanying ordinance amends the budget please reflect the dollar amount to be appropriated by this legislation. Include the appropriate cost elements that are to be loaded by accounting. Indicate "new" in Fund Center column if new center needs to be created. Use additional space if needed.)* Any necessary FY 14-15 Budget adjustments will be made in the City's Budget Monitoring Process.

PUBLIC INVOLVEMENT

8) Was public involvement included in the development of this Council item (e.g. ordinance, resolution, or report)? Please check the appropriate box below:

☒ **YES:** Please proceed to Question #9.

☐ **NO:** Please, explain why below; and proceed to Question #10.

9) If "YES," please answer the following questions:

a) What impacts are anticipated in the community from this proposed Council item? In the long term, security that the bridge that serves Willamette Heights will be in continued service for decades to come. Security that the community can still be served by TriMet route 15. In the short term, there will be a closure for Spring 2014 while the bridge is being rehabilitated. For those folks who live across the bridge there will be a small detour.

b) Which community and business groups, under-represented groups, organizations, external government entities, and other interested parties were involved in this effort, and when and how were they involved? TriMet are involved to ensure continued Bus service using detour while bridge is temporarily closed. PBOT met with the NW Neighbor Assoc and they are in support of the project.

c) How did public involvement shape the outcome of this Council item? PBOT met with the NW Neighbor Assoc and they are in support of the project. They will continue to be involved in outreach efforts and will provide feedback and suggestions to the project outreach.

d) Who designed and implemented the public involvement related to this Council item? David O'Longaigh. It is a continuing effort.

e) Primary contact for more information on this public involvement process (name, title, phone, email): David O'Longaigh, PBOT, (503) 823 0371.

10) Is any future public involvement anticipated or necessary for this Council item? Please describe why or why not.

For accepting the IGA, no Council public involvement appears necessary.

PBOT is still involved in public involvement regarding the construction project, which is on-going.
