Hello Mary and group,
Oct 22 (Mayor will be absent) and Oct 29 (all Council present) are currently available. Will either of those dates work for you? Let me know as soon as you can, as we fill the spots "first come, first served".

Susan,

You were very helpful in assisting myself and three others schedule time at the June 25th City Council meeting for public testimony regarding Pile Driving.

Maura Jess, Patrice Hanson and I would like to schedule the next available time for public testimony to present follow up status to the Commissioners.

Can you assist me with that?
