

Barling, Arkansas

ars generated from the Street Fund tax are routinely used by the City to meet local match requirements when applying for grants from outside agencies like Boulder County, Colorado Department of Transportation, Federal Highway Administration and Federal Emergency Management Agency. Such collaborative funding enables the City to maximize limited, local investment to complete large projects.

• Big Picture

• Street Maintenance and Repair

- surface treatments including pothole patching and crack sealing
- snow and ice removal and street sweeping
- curb and sidewalk concrete repairs
- road rehabilitation and reconstruction

• Transportation System Safety and Efficiency

- replacement of inadequate and aging bridges— including those that do not pass 100-year flood flows
- intersection improvements to address congestion and delay
- construction of bicycle and pedestrian improvements including underpasses and sidewalk connections
- maintenance of traffic engineering devices like street signs, signals and pavement markings, as well as installation of new traffic signals

Hello Craig,

All Wednesdays in November are available. 11/5 is the earliest. Would that date work for you? Let me know your subject also.

Susan Parsons

Assistant Council Clerk

City of Portland
