**Re: Requesting for Comment Period Extension and Additional Hearings**

I am requesting that the record be left open to allow comments on the Proposed Draft 2035 Comprehensive Plan for at least 90 days after the definitions of the mixed use zones and campus institutional zones have been made public. Both the Multnomah Neighborhood Association and Southwest Neighborhoods Inc. have submitted similar requests. Without the definitions and the deadline extension, the citizens and Neighborhood Associations will not be able to evaluate the impact of the new zoning designations.

I would also like to request that additional hearings on the Proposed Draft be scheduled, including one in Southwest Portland out of the central city.

Please add this to the record.

**Re: Multnomah Village as Neighborhood Corridor**

I am requesting that the Planning and Sustainability Commission change the designation of Multnomah Village from a Neighborhood Center to a Neighborhood Corridor in the Draft 2035 Comprehensive Plan.

Multnomah Village is classified as a Mainstreet in the current Comprehensive Plan. The Mainstreet designation had a prescribed depth of 180 feet which is consistent with the definition of a Neighborhood Corridor. The Village is more linear in nature and thus the characteristics are better defined by the Neighborhood Corridor designation. The change would make the business district of the Village contained within the Neighborhood Corridor designations of the intersection of Multnomah Boulevard and Capital Highway.

If the Village were designated a Neighborhood Center with a ½-mile radius, it would overlap with the boundaries of the two adjacent town centers (Hillsdale and West Portland) leaving little room for the existing single-family zoning. According to the BPS, the number of households projected to be located in the Village in 2035 is less than zoned for in the current plan. The BPS has projected a 28% increase in capacity in Multnomah Neighborhood's corridors through the Mixed Use zoning project, thus there is no need for the Neighborhood Center designation. The Neighborhood Corridor designation better fits the design and character of the Village.

Both the Multnomah Neighborhood Association and Southwest Neighborhoods Inc. have submitted requests to change the designation to Neighborhood Corridor.

Please add this to the record.

**Re: Environmental Zone Regulation Plans**

## Proposed Draft 2035 Comprehensive Plan

I am requesting that Policies 8.9 through 8.17 (listed below) of the current Comprehensive Plan be added to Chapter 7, Environmental and Watershed Health, of the Proposed Draft 2035 Comprehensive Plan and that the existing environmental zone plans referenced in these policies be in full force and effect after the 2035 Comprehensive Plan is adopted.

Both the Multnomah Neighborhood Association and Southwest Neighborhoods Inc. have submitted similar requests.

Please add this to the record.

## Re: Corner Lot Development

I am requesting that the specific language shown below be removed from the general description of land use designations on page GP10-8 the Proposed Draft 2035 Comprehensive Plan:

### Land use designations - Amendment

The Comprehensive Plan is one of the Comprehensive Plan's implementation tools. The Map includes land use designations, which are used to carry out the Comprehensive Plan. The land use designation that best implements the plan is applied to each area of the city. This section contains descriptions of the land use designations. Each designation generally includes:

- Type of place or Pattern Area for which the designation is intended.
- General use and intensity expected within the area. ~~In some cases, the alternative development options allowed in single dwelling residential zones (e.g. duplexes and attached houses on corner lots; accessory dwelling units) may allow additional residential units beyond the general density described below.~~
- Level of public services provided or planned.
- Level of constraint.

I am also requesting that Section 33.110.240.E of the zoning code, that allows corner lots that are zoned RS or R7 to be rezoned to R2.5 if they are larger than 50 feet by 110 feet, be removed from the zoning code associated with the Proposed Draft 2035 Comprehensive Plan.

The Multnomah Neighborhood Association and Southwest Neighborhoods Inc. have submitted similar requests.

Please add this to the record.

Thank you,

Robert & Karyn Munford
