**Subject:** Scheduling A Communication Item

Good evening! I would like to schedule a communication item for next week's City Council meeting. I have recently created a petition in order to raise awareness of the fact that Portland State University is not doing anything about my friend's rape case and in fact, the rapist is allowed to return to school this upcoming fall. I hope to raise awareness on sexual assaults on college campuses. If you have any questions, please don't hesitate to ask! Thank you for your time!
