**Subject:** December 10th city council meeting

Hello,

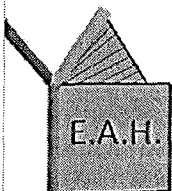

My name is Eltah Brinson and I spoke with someone earlier this week about pputting me on the schedule to speak at the next city council meeting.

I was scheduled for December 10th, at 9:30am.

I wanted to share with the city a little bit about my business called Y.E.A.H. which stands for the Young Entrepreneurs Advocate's House. My goal is to build a place where people can go to get away from the nay-sayers when they're feeling creative, and use our various equipment to get their goals accomplished. Things like cubicles if they need to write business plans or novels, a lounge to meet other creative individuals, a fitness room, an arts and crafts room, several board rooms, and even a music studio.

I want to make a place affordable for people to go to explore their highest potential and be encouraged along every step of the way.

I would like to gain exposure for our business and direct people to our Facebook page where they can follow for updates on the business. [The Young Entrepreneurs' Advocate House](#)
